About beVisioneers

beVisioneers is a global Fellowship funded by a donation from Mercedes-Benz, that equips innovators aged 16 to 28 with the training, expert support and resources to bring their planet-positive projects to life. At the core of our offering is a 12-month hybrid-learning program that focuses on the implementation of each fellow's project. Upon completing the intensive 12-month program, Fellows continue to receive support to scale their projects and develop their leadership skills. By fostering local, regional and global exchange among our ever-growing community of Fellows, mentors and experts, we amplify impact today and help build the environmental leaders of tomorrow.

About The DO School Fellowships gGmbH

The DO School Fellowships gGmbH is a non-profit organization headquartered in Hamburg, Germany. Our mission is to empower young people to launch projects that address global and local challenges around the environment and society. Over the past 10 years, we have designed and implemented a wide range of innovative fellowship programs, training more than 50,000 people from over 100 countries to be effective impact entrepreneurs.

About Mariah Levin, Executive Director of beVisioneers

Mariah Levin has spent more than a decade generating positive impact at the nexus of public and private sectors, focusing on social and economic inclusion, the environment, and education. Prior to joining beVisioneers, she led the World Economic Forum's Forum of Young Global Leaders, an independent foundation acting as an incubator for remarkable leaders under 40 to tackle the world's greatest challenges. Mariah is a former Fulbright Fellow, a World Economic Forum Global Leadership Fellow, and an award-winning community volunteer.
